POSITION OVERVIEW			
POSITION TITLE	Production Blaster – Night Shift	DEPARTMENT	Production
REPORTS TO	Manufacturing Manager	VERSION AND DATE	V1 23FEB21
TERM TYPE	Permanent Full-Time	LOCATION	Indian Head, SK

About VALE:

Vale Industries Ltd is a manufacturer of engineered products and equipment for the agricultural, aggregate, mining, and related sectors. With roots in steel manufacturing going back 30 years, Vale knows how to deliver solid solutions and exceptional value for our customers. Our management team has over 150 years of practical, hands-on experience in engineering, manufacturing, and business management, focused on leading Vale's next phase of strategic growth. At Vale, we uphold a high standard of quality, integrity, and safety to demonstrate our commitment to our employees, customers, suppliers, and community.

Job Summary:

Vale has a great opportunity available for an experienced Production Blaster to be a part of our Night Shift production team (Mon – Thurs, 4:15PM to 2:45AM). Vale Industries is a fast-paced, collaborative environment with lots of opportunity for personal and professional growth. If you are motivated to make a real difference and the drive results, this position may be for you.

Duties and Responsibilities:

- Reading job order sheets to understand the specific requirements of each job
- Prepping parts to blast them: masking, tapping, plugging, or any other technique necessary to protect parts from blasting and coating according to job specs
- Set up and operate a blast booth or similar equipment
- Load and unload the blast pot
- Proper cleaning and maintenance of equipment
- Assist with painting or coating as needed, and/or other production tasks
- Assist in the hanging of parts on paint rack
- Operating a forklift to load parts into and out of the blast booth
- Regular maintenance of the blast booth
- Reclaim media to eliminate as much waste as possible
- Ensure quality standards and processes are used throughout the facility
- Contribute to team effort by accomplishing related results as needed
