POSITION OVERVIEW			
POSITION TITLE	Production Painter – Night Shift	DEPARTMENT	Production
REPORTS TO	Manufacturing Manager	VERSION AND DATE	V1 03MAR21
TERM TYPE	Permanent Full-Time	LOCATION	Indian Head, SK

About VALE:

Vale Industries Ltd is a manufacturer of engineered products and equipment for the agricultural, aggregate, mining, and related sectors. With roots in steel manufacturing going back 30 years, Vale knows how to deliver solid solutions and exceptional value for our customers. Our management team has over 150 years of practical, hands-on experience in engineering, manufacturing, and business management, focused on leading Vale's next phase of strategic growth. At Vale, we uphold a high standard of quality, integrity, and safety to demonstrate our commitment to our employees, customers, suppliers, and community.

Job Summary:

Vale has a great opportunity available for an experienced Production Painter to be a part of our Night Shift production team (Mon – Thurs, 4:15PM to 2:45AM). Vale Industries is a fast-paced, collaborative environment with lots of opportunity for personal and professional growth. If you are motivated to make a real difference and the drive results, this position may be for you.

Duties and Responsibilities:

- Perform all duties in the paint process such as surface preparation and spray-gun application of liquid coatings
- Reading job order sheets to understand the specific requirements of each job
- Make adjustments to equipment to ensure accurate mill thickness as shown on the shop drawings
- Proficient with applying paint products and operating paint equipment
- Paint beams, tubes, angle, channel, bar grating, pipe, plate, and large to small weldments according to the shop drawings
- Ensure all paint materials are being used in compliance with customer specifications and quality control program
- Understand specific requirements for paint application, storage, and disposal
- Proficient at testing and measuring applied paint products
- Assist in loading materials when necessary
- Maintain inventory of required paint supplies and consumables
- Operating a forklift, jib cranes, and overhead cranes in order to move materials
- Perform any other duties assigned by management
- Ensure quality standards and processes are used throughout the facility
- Contribute to team effort by accomplishing related results as needed
