POSITION OVERVIEW

POSITION TITLE	Brake Operator	DEPARTMENT	Production
REPORTS TO	Operations Manager	VERSION AND DATE	V128SEP23
TERM TYPE	Permanent Full-Time	LOCATION	Regina, SK

About VALE:

Vale Industries Ltd is a manufacturer of engineered products and equipment for the agricultural, aggregate, mining, and related sectors. With roots in steel manufacturing going back 30 years, Vale knows how to deliver solid solutions and exceptional value for our customers. Our management team has over 100 years of practical, hands-on experience in engineering, manufacturing, and business management, focused on leading Vale's next phase of strategic growth. At Vale, we uphold a high standard of quality, integrity, and safety to demonstrate our commitment to our employees, customers, suppliers, and community.

Job Summary:

Vale has a great opportunity available for an experienced Brake Operator to be a part of our production team. You would need to set up and run our new equipment in our Regina facility. We have a plan to gradually ramp up production with the right people. Vale Industries is a fast-paced, collaborative environment with lots of opportunity for personal and professional growth. We have a great management team that is organized, consistent, and listens to you! If you are motivated to make a real difference and have the drive to achieve results, this position may be for you.

Duties and Responsibilities:

- Operate brake press machine.
- Perform complex programming using all features of the press brake.
- Meet customer specifications and delivery requirements.
- Program the brake to produce new parts meeting specifications.
- Perform spot inspections of parts.
- Perform all required routine and minor maintenance activities according to procedures.
- Complete and maintain paperwork.
- Operation of forklift and cranes.
- Read drawings and blueprints.

Education and Qualifications:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required.

- Grade 12 diploma or equivalent
- 1-2 years' experience operating a brake press is required
- Excellent analytical, problem-solving, critical thinking, and decision-making skills.
- Strong team player with proven ability to work effectively with others at all levels.
- Be a Canadian citizen legally able to work in Canada; only applicants residing in Canada will be considered

Knowledge Areas and Experience:

- Overhead crane and forklift experience an asset
- WHMIS training an asset
- Ability to use measuring tools and read blueprints

What Vale Offers:

- Meaningful work with a team of motivated individuals at a growing manufacturing company
- High standards as demonstrated in the quality of our products
- Opportunities for growth and development
- Opportunity to take on responsibility and overcome challenges to produce a multitude of high-quality deliverables on schedule

Compensation and Terms of Employment:

- Strong competitive hourly salary plus matched RSP
- Extended health, dental, disability and life insurance benefits
