POSITION OVERVIEW			
POSITION TITLE	Class 1A Truck Driver Production Support	DEPARTMENT	Production
REPORTS TO	Manufacturing Manager	VERSION AND DATE	V01 18June24
TERM TYPE	Full Time/Permanent	LOCATION	Indian Head, SK

About VALE:

Vale Industries Ltd is a manufacturer of engineered products and equipment for the agricultural, aggregate, mining, and related sectors. With roots in steel manufacturing going back 30 years, Vale knows how to deliver solid solutions and exceptional value for our customers. Our management team has over 100 years of practical, hands-on experience in engineering, manufacturing, and business management, focused on leading Vale's next phase of strategic growth. At Vale, we uphold a high standard of quality, integrity, and safety to demonstrate our commitment to our employees, customers, suppliers, and community.

Job Summary:

Vale Industries is seeking a qualified, experienced, dependable, Class 1A truck driver to transport Vale hopper bottoms and other Vale products. The successful candidate will also be a part of our production shop team when not trucking. Vale Industries is a fast-paced, collaborative environment with lots of opportunity for personal and professional growth. If you are motivated to make a real difference and the drive results, this position may be for you.

Duties and Responsibilities:

- Load and deliver hopper cones within Saskatchewan, Alberta, Manitoba, and United States
- Ensure that vehicles are loaded properly for transportation
- Complete documentation to company standards
- Coordinate pilot driver schedule
- Perform and document pre- and post-trip inspections of vehicles
- Adhere to all company safety policies
- Work in various departments in the production shop as required, supporting overall operations

Education and Qualifications:

- Valid Class 1A driver license and acceptable driver abstract
- Previous manufacturing experience in fabrication, weld, blast, and paint an asset
- Must have outstanding punctuality and attendance
- Strong attention to detail
- Must possess effective interpersonal and communication skills as well as the flexibility to handle changing demands and work effectively in a diverse environment
- Commitment to continual improvement
- Responsible for yourself and others in a safety-conscious environment

Knowledge Areas and Experience:

- Able to work long hours when necessary
- Experience hauling extra wide loads
- Physical agility and ability to lift, carry and move large, awkward and/or heavy items (up to 50lbs)
- Able to read and interpret schematics, blueprints, and other drawings
- Excellent verbal and oral fluency in English with strong attention to detail
- Have a calm, responsible demeanor during potential stressful situations

What Vale Offers:

- Meaningful work with a team of motivated individuals at a growing manufacturing company
- Opportunity to work with mechanical equipment driven by innovation and quality
- High standards as demonstrated in the quality of our products
- Opportunities for growth and development
- Opportunity to take on responsibility and overcome challenges to produce a multitude of high-quality deliverables on schedule

Compensation:

- Strong competitive hourly compensation plus company matched RSP
- Extended Health, Dental, Disability, and Life Insurance
